9005 Gue Rd. Damascus 20750

May 27, 1974

Dear Mr. Weisberg,

Just wanted to tell you how deeply appreciative I am of the warm and inspirational inscriptions which you placed in my very special graduation gifts. I've felt all along that your works are priceless — now these volumes have an even greater value to me.

Again, thank-you for all of your help and many kindnesses — it's truly an honor to know you.

Continued health and happiness to you and Mrs. Weisberg —

Lynda
